I would like to invite you to **event IADIS e-Society in space DIT-Madrid** on Friday March 11 at 09:30:00. The event will be a virtual meeting with easy participation through the Isabel system.

>

You can find more information about this event in <http://www.globalplaza.org/spaces/dit-madrid/events/iadis-e-society>

Kind regards,

Antonio Tapiador

DOCS

### Meeting

Great for quick and simple meetings. Notify your partners, upload working documents. No automatic video streaming or recording.

### Virtual Meeting

Easy videoconference participation with document sharing and automatic streaming and recording.

### Virtual Congress

Advanced, big meetings. TV-like production, which needs to be managed by an operator.
